BURNOUT

Imagine that you were, at this moment, in the midst of an age-old spiritual war.
A complex fight of good vs evil where the combatants are devious and the stakes are eternal. The reality might be more intense than you know. This is the realm where Demons and Angels battle.

WHAT DO DEMONS DO TO STOP THE FIRES OF REVIVAL?

WHAT KINDS OF TRICKS WILL THEY TRY TO KEEP YOU FROM BEING ON FIRE FOR GOD??

THIS DRAMA ATTEMPTS TO PRESENT SOME POSSIBILITIES.

Demonic forces are very real, the bible mentions them a lot. While we don't know exactly how they interact, we can speculate what it might be like, and we DO know they want to hurt God.

They do that by hurting **your** walk with God.

Everything they do is designed to hurt you and your friends.

As you watch this year's drama it will take a good detective to find the messages beyond the dialogue. Pazuzu, Tick and Kariinan want to stop the fires from spreading. What are these fires? How do they spread? Will you play along right into their demonic schemes, or will you join the fire of God and spread this wildfire until it consumes them?

A little History:

X-treme was started in 1997 when Bill and Karyn and New Life's 2 teens were inspired to revolutionize "youth group" into a serious "youth ministry" where teens minister to teens. The first meeting brought 10 teens out and it went from there. We are so

Here's Some of the Fun Stuff We've Done:

Drama:

We at Xtreme understand how deeply drama can impact a person emotionally and spiritually. We use drama and music as tools to point people to the awesome relationship they can have (and NEED to have) with the Lord Jesus. X-treme ministers in drama in the local church and area churches, at youth meetings, special services, open-air outreaches, on the beach wherever we are invited!!

Some of our dramas can be viewed on Youtube. Subscribe to our page:

Mission X-treme

We deeply believe in fulfilling the Great Commission by sharing the Gospel both overseas AND here in the United States. Every summer we take teens on a mission trip to a nearby city where we share the Good News through our dramas and community service projects. We also send teens overseas with several different missions organizations!

Compassion International:

We sponsor a teenager in a foreign country with our gifts and letters every month!

Planet X and other fun stuff:

Xtreme believes in having fun too!! We go on a "mystery" trip every once in a while just for fun. The teens know what to bring, but not where we are going until we get there. Being surprised is a LOT of fun! We also do movie nights, music festivals and other fun outings!

X-celerate and other Conferences:

We host, plan and run the entire conference!! In addition we attend other life-changing youth conferences throughout the year!

There's so MUCH more to xtreme as well — come check us out!! Become a fan on facebook for regular updates and info!
